ALTAANZ Conference 2025

ALTAANZ STUDENT SESSION: RESEARCH, CAREERS, AND CONNECTIONS

Overview

Kick off the ALTAANZ 2025 conference by connecting with fellows in this interactive, student-led session. Share your research interests, discover diverse career pathways, and build lasting connections. Don't miss this chance to shape your conference experience.

Strands

1. Research Interest Sharing

You will have up to five minutes to briefly introduce a current research project or idea-in-progress and pose one or two specific questions for peer input. It’s a chance to exchange ideas, get advice, and spark new collaborations!

2. Professional Career Exploration

You will explore a wide range of career pathways, both within academia and beyond, and engage in conversations about job opportunities, skill development, and strategies for professional success.

3. General Interests & Connections

You will connect with fellow students on a personal level by sharing your hobbies, passions, and interests outside of research, build lasting friendships and expand your network in a relaxed and informal setting.
